Assessor Comments	A Top-quality line of Angus x Angus heifers bred from renowned Milla Murrah bloodlines. Heifers have the bone and capacity to grow into quality breeders or feeder weights or if given the opportunity. Heifers have been on an oats crop for the last 6 weeks and have really pumped the weight on. This is a great opportunity purchase heifers with solid breeding to start or top up a herd. These heifers were purchased off Aplus in December 25 and have grown well in the last 6 months. Vendor is only selling these heifers to make room for other cattle on the property. Two Heifers have got old pink eye scarring but is not considered detrimental as they can see well.
