Handled With	Very very well handled heifers that were a pleasure to weigh and draft. Cattle moved of you well and blocked up easily. Bikes , Dogs , Horses , On foot , Vehicles		
Assessor Comments	A good line of Angus heifers bred by quality Hazeldean Bulls. Heifers are bred from a herd where doability, structure and IMF is a focus. These heifers are well grown and will continue to grow into quality matrons of the future or backgrounded for the trade. Odd heifer with small mark in eye but it is not considered detrimental as they can see well.
