Assessor Comments	A small line of heavier weaner steers being offered by Nungatta Station that present in genuine store condition and have been well handled, These cattle are normally grown out to feeder weights but a tightening season has pushed them onto the market earlier, Repeat buyers have consistently commented positively on their performance in both grain and grass programs. The are bred from medium frame Cows and Bulls selected for strong carcass traits. There are 3 Red & Red Baldy Steers, 1 Grey Steers and 11 Black Steers in the draft of which Approx 5 are showing more to Angus Type. 4 Lots Totalling 195 Head being offered by the vendor in this sale
