Assessor Comments	'Ennisvale' presents the opportunity for buyers to secure a quality line of heifers. These heifers will suit a breeder looking to buy in a quality line of future breeders or also suited to the feeder market. The Evans family are renowned Angus breeders, that have been breeding Angus cattle for 50 years, with Te Mania and Dunoon bloodlines creating a consistent and proven genetic base. This is a fantastic opportunity to bring quality genetics and breeding into a program, take home and join straight to the bull of your choice, or an ideal feeder article. Please note there is 3 heifers that have visible white scarring on their eyes that can be taken out at delivery if desired.
