Handled With	Bikes , Vehicles		

Assessor Comments	A quality line of Angus Weaner Heifers. Sired by Gilmandyke Angus bulls, and out of Large framed Angus Cows. These Heifers are August/September 2025 drop and were purchased privately as Cows & Calves late 2025. They were weaned Mid March and have had 2x 7in1, Multimin Chrome and Drenched Abatech. These heifers are an opportunity to purchase Angus heifers to grow out into future breeders or background to feeder weights. Please note there is a handful of heifers with old pink eye scarring in one eye, not deemed detrimental to future performance.
