Outstanding cattle to handle in the yards. All cattle moved slowly & showed no signs of any nervousness at all!

Assessor Comments	A quality draft of Composite/Angus X Steers. Tops of the Drop! Sired by Hicks black Composite bulls out of pure Hazeldean blood Angus cows. These calves were bred on the vendor's NSW property in May/June & were transported to the Western Districts in December. Vendor has always selected bulls that are easy doing, show great temperament & have excellent carcass traits! These steers are ideal to grow out to heavy export bullocks with the Composite breeding adding a significant amount of 'shape'. They come with my highest recommendation!! **
