Handled With			
Assessor Comments	A nice line of 32 Hereford Heifers. April/May 25 Drop. Weighed from 319-453kg to average 346kg curfewed. Vendor is a repeat buyer of the well known Hereford Injemira sires. Vaccinated on 15.6.26 with a 7in1 & B12 booster. Well bred heifers that will continue to grow to be an excellent addition to any breeding program or introduced into the feedlot system. There are approx 5-6 heifers that have pink eye scarring present but it is not detrimental to their health. Please note vendor has 1 other lot in sale.		
Assessor	Brooke Green (Level 1 Accredited)
