Assessor Comments	EH Pitt & Co will off a cracking run of EU ACCREDITED Angus spring drop weaners. These Heifers are tops of the drop with none being retained by the vendor & giving the successful purchaser the chance to source high quality future breeders if so desired. These heifers show plenty of stretch and depth of body. The Pitt weaners are always highly sought after being grass fed only and Antibiotic free and come with my highest recommendations. Please note - vendor has 1 lot of steers in this sale and 2 lots of PTIC cows in the Eastern States Sale.
