Assessor Comments

Buyers, here is your opportunity to secure a line of very well bred PTIC heifers from the highly regarded Gyranda Santa Gertrudis stud herd. This lot has been assessed as 2 decks (48 head) being sold in 1 deck lines as a run out the gate. The VID's included in this assessment will be the VID's that will be delivered with this lot. Rarely does an opportunity arise to secure bloodlines plucked straight from the Gyranda replacement breeder herd. These heifers possess good conformation and breed characteristics, they show good frame scores and stand on adequate bone. These heifers would be an asset to any breeder herd. Please see joining details for references of the bulls these heifers are PTIC to. Please note that the vendor has the second run out the gate lot as well as 3 other lots of PTIC heifers in the same sale.
