Assessor Comments	195 4 .5 to 7 yr old Red Tag PTIC Angus cows. Cows are all PTIC to Landfall & Lawsons registered Angus sires (please see attached supporting document). Cows have all been owned by the Mildner family for 2 years and purchased from the breeders (Romani-Windy, Wills Mandurama & Chadwick FT Coonamble). Cows are sound, healthy and functional Angus cows. A great opportunity to put together a large line of cows that will calve over a tight 7 week period. Cows are very good to handle in yards and paddock and happily stood behind a single electric wire for photos and videos. (8 cows in each lot have very slight blue old eye scars). Very functional cashflow Angus cows with age, frame & pregnancy on their side. Buy with confidence of a quality article. Independently assessed.
