Assessor Comments	Genuine line of PTIC Royalla blood shorthorn cows, joined to Royalla Shorthorn bulls. They are a genuine sale as the vendor has decided to change direction in breed. Vendor has been breeding with the Royalla bloodline for 12 years, selecting bulls by high indexing characteristics with focus on fertility. These breeders have produce good sappy calves every year, they have been running on light hill country, will turn inside out with seasonal opportunity. They currently have calves on them that will be weaned off at delivery. Please note 3 cows with scarring on eyes not deemed detrimental
