| Assessor Comments                     | A very nice line of Composite second calving cows. The vendor has joined for a number of years to top quality Hicks Black Composite bulls for growth and fats to which have excellent feedback from feedlotters year in year out for their livestock. Cows are preg tested for a 6 week calving window. Cattle presents in store to forward store condition and are offered for sale as surplus, vendors have a vet tested Pesti Immune Herd. |            |                 |                |
