Assessor Comments	Opportunity presents 36 PTIC Black Heifers in their working clothes, would be retained but only on offer as deceased estate. Malcom has been cross breeding Angus and Black Simmental cattle to try and produce a productive and fertile animal to suit the commercial Black Angus Market. Top bulls been selected from Injemira and Wormbete for ease of calving, low birthweight and 200 and 400 day weights. Easy doing cattle that have been run by an elderly man with great success. 4 heifers with small line of white to the naval and 1 heifer treated for pink eye on assessment.
