	Quiet: 2 head	Quiet: 2 head	
	These heifers were an absolute pleasure to handle and would suit any level of operator		
Handled With	On foot , Vehicles		
Assessor Comments	A/c IA & J Coghlan of Eurimbla Shorthorns offer 4 PTIC Heifers as part of their annual draft. The Eurimbla breeding program is based upon producing easy care cattle, backed by extensive performance testing. These females have recently been scanned for fat cover, EMA & IMF. They are PTIC to the low birth weight & calving ease sire Polldale Tycoon & Eurimbla low birth weight Red Poll. These heifers are 15-18 mths of age, average 393kg curfewed & are small to medium frame relative to their age. Tallangatta Vets pregnancy tested these heifers on the 13/3/26 & deemed them all to be 7-12 weeks in calf, to commence calving late September. These heifers have been an absolute pleasure to handle, would suit any operator with their whole lives ahead of them.
