Assessor Comments	Offering a draft of well bred PTIC Angus cows (2 baldies) presenting in store condition. Cows were acquired by Boco Pastoral as nucleus herd for bull breeding program and have frame to work with. They are PTIC to quality Rennylea & Hazeldean Angus bulls to calve mid June for 10 weeks. Cows have been on agistment at current location since the end of December, arriving from the Monaro in light condition with calves at foot. Calves were weaned 5 weeks ago and cows have freshened in the past month. It should be noted that Boco Pastoral have consistently finished in the top 10% for feedlot performance in the Teys Beef Spectacular, being 'Champion Feedlot Performer' in 2024. Represents a chance to secure well bred PTIC Angus cows, that will breed a quality calf and have upside with weight gain (NOTE: 135 PTIC & PTE Angus & Black Baldy cows on offer this sale over 5 lots off this property).
