Assessor Comments

Buyers what a line of young Droughtmaster cows and calves, quiet and easy to handle. Broke to electric fence. This lot has had all the treatments done, 7in1 and great worming and tick treatment history. Don't miss this lot if you want good Droughtmaster cows and calves that you will have plenty of options moving forward. Note one cow has a lump on neck. (Fist size) Pretreated for Ticks 12/7 (Dectomax injectable and sprayed with Taktic) ***Vendor only selling as change in enterprise
