Assessor Comments	Buyers, here is your opportunity to secure a 3 deck line of very good quality Angus cows pretested in-calf to very good quality high marbling Wagyu bulls. Bulls are Shokunin and Sumo blood lines. Cows are aged 9 and 10 years old and have all raised a calf every year since being purchased by the vendor. Cows are mostly large framed with a very small percentage of medium framed cows, they stand of good bone and are in store/forwardstore condition. This line of PTIC cows would be a great inclusion to any breeding herd. Please note the vendor has another 3 deck line of PTIC Angus cows in the same sale.
