	Very soft, kind young heifers to handle. All led up the race quietly, every one was caught in the head bale to check tag, and not one became fussed up by the process, all quietly exiting the crush at a walk. Very easy to approach on foot in the paddock and walk amongst to get photos. Heifers with a fantastic temperament that will be a pleasure to take on in to calving.

Assessor Comments	Nice line of quiet young PTIC Heifers. Purchased as young weaners just short of 12 months ago out of the Gordon Sinclair feature Spring Store sale. A faultless temperament in both the paddock & yards. Preg tested in calf to the L.B.W Riga Angus Bulls for a '2 cycle' August calving. Heifers that would be an ideal line to calve down and appreciate the buoyant Heifer/calf market, or retain these lovely natured females and rejoin to the bull of your choice.
