Assessor Comments	A line of 80x80 vendor bred brangus cows and calves which have been back running with Triple B brangus and Couti Outi brangus bulls. This is a regrettable sale and is only occurring due to the vendor selling a paddock and a lack of agistment around, the weaner steers would generally be grown out to bullocks and heifers be retained for the vendors breeding herd. 59 of these weaners are 190kg + in weight, with majority of the cows being year branded 1s and 2s making them ideal future breeders or even a perfect trading option for someone. BUYERS PLEASE CHECK THE AGE BREAK DOWN AND THE VENDOR IS OFFERING THESE COWS AND CALVES CLEAR OF THE DIP
