Quality Grades

	Good	100%	
Temperament	Yards	Crush	Paddock
	Quiet: 13 head	Quiet: 11 head Slightly Stirry: 2 head	Quiet: 13 head
Handled With	The cows were very easy to move around the yards and over the scales and were nice and calm in the paddock Bikes , Vehicles		
Assessor Comments	A nice line of young Kunuma Blood PTIC cows, rising 3 years and in calf to a Brookfield park bull. These cows will mature into medium frame cow and present in good store to forward store condition and are in good condition to calve down. These young cows were to be kept as breeders, but the challenging Monaro winter has forced their sale.
