| Trading Terms          | Intending buyers be advised elders terms are strictly CBD unless debt can be accepted by a nominated agency or an approved elders account is in place.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |            |                 |         |                                     |
| Movement Restrict.     | None provided. [Please note: It is the responsibility of the Purchaser to satisfy all state compliances in regard to the movement of this lot.]                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |            |                 |         |                                     |
| Fit To Load            | Please note that current Fit To Load standards place restrictions on the transportation of FEMALES IN LATE PREGNANCY. Cattle in the last 4 weeks of pregnancy are advised not to be transported unless under Veterinary approval. Responsibility for adherence lies with Agent, Vendor, Transporter and Purchaser.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |            |                 |         |                                     |
| Sale Types             | \$/Head                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |            |                 |         |                                     |
| NLIS Note              | If you are purchasing livestock from AuctionsPlus, please remember it's the buyer's responsibility to transfer your purchased animals onto your PIC in the NLIS database.<br>To do this you can access your account at www.nlis.com.au or if you require assistance, please contact the NLIS Helpdesk                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |            |                 |         |                                     |

Assessed Lot: this lot is Assessed and is subject to the AuctionsPlus Sale Terms associated with Assessed Lots
