Assessor Comments	Offering a quality line of Ardrossan blood Angus heifers. PTIC to LBW Jade Park Angus bulls. These heifers are the lead draft out of 180 heifers, they are one mark and were purchased as vendor bred heifers from a renowned local breeder. They are very structurally sound females with good frame. They were a pleasure to handle and worked well through the yards at assessment. These heifers would make a great addition to a spring calving program or a great start to one.
