Assessor Comments	Invarimba are offering line of PTIC Cows in the prime of there life and closing down on a late winter - early spring calving to the Newblax Black Simmental bull. Invarimba have been using Black Simmental bulls for and extensive amount of time. Traditionally these cows produce some of the best young trade cattle we offer in the Shepperton saleyards year in year out. Only being offered due to a recent sale of the parcel of land these cows were running on. These cows present in strong prime condition and are in good stead heading into calving. If your in the market for proper beef breeding cows and progeny that have vigor and versatility you can close your eyes and bid.
