	Docile: 15 head Quiet: 4 head	Docile: 15 head Quiet: 4 head	Temperament not assessed in Paddock
Handled With	Bikes , Vehicles		
Assessor Comments	A quality line of 19 PTIC Black Baldy heifers, 25–26 months of age, presenting in excellent condition. These quiet, easy-to-handle females are EU accredited and represent an outstanding opportunity to secure young breeding females with many productive years ahead. Dollar Angus blood, they display excellent temperament, sound structure and strong maternal characteristics. Joined to commence calving from early September over approximately six - seven weeks. Suitable for commercial producers looking to expand or establish a quality breeding herd with genuine replacement females.
