Assessor Comments	Offering a 35 PTIC Angus Cross Cows. The cows averaged 540kg at assessment after an overnight. These cows are medium to large frame with and were all vet PTIC at assessment to Angus and Durham Angus bulls 4+ months. The cows are all young ranging from 2 to 6 years old with the majority 4 years old. Don't miss this opportunity to purchase this line of young PTIC cows in their prime. Please note at assessment 2 were sighted with old blight scarring and a few with rub marks. Also note there are 11 PTIC cows under 4 months in calf available to the purchaser if they are wanting to fill up the truck. Also note there is another line of PTIC cows at the same property in todays sale and also a 3 deck line of cows and calves.
