| Assessor Comments      | A line of well-bred Ultrablack Heifers PTIC to Nindooibah Ultrablack Bulls on their 2nd calf. Heifers are presenting in fresh condition and will do well on better feed. Heifers are only being sold due to change of program. Heifers were good to handle at assessment with a percentage stirring in crush but settling in mob straight after. Vendor has sister lot in same sale *** Note heifers have rub marks from Lice however they were treated on day of assessment |                                          |                                     |
| Assessor               | <b>Matthew Grayson (Level 1 Accredited)</b>                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                          |                                     |
| Delivery Period        | 13/07/2026 to 17/07/2026 (5 days)                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                          |                                     |
