Assessor Comments	A nice line of 3rd calf Angus cows & calves. Cows are in fresh store condition and are milking very well giving their calves a very good start presenting them in fresh condition. Vendor has spared no expense securing the highest quality Palgrove Bulls of which these calves are sired by. Cows are generally true to type and should raise a very good calf given the right opportunity. The vendor has been supplementing these females with hay to maintain condition and milk production whilst there is a fresh green pick present. Cows are easy to handle and worked through the yards with ease.
