Assessor Comments	A very nice line of well bred shorthorn heifers and calves with all the work done. All calved unassisted and are ready to be rejoined to the bull of your choice. Females are true to type and show breeding qualities for future matrons in the breed. Heifers were purchased off an internally bred herd that was originally based on the Yamburgan Shorthorn bulls. Heifers show signs of their exceptional breeding with their ease of calving and the health of their calves in what was an unusually dry and tough calving period. An opportunity to secure well bred shorthorn heifers that are proven breeders with a life time ahead of them.
