	Easy going to handle throughout assessment. Slight bit of fizz in the crush but once returned to the mob they settled.			
Handled With	Bikes , Horses , On foot , Vehicles			
Assessor Comments	A line of good quality angus young cows not far off the point of calving. They are due for their 3rd calf and present as ideal cows to add to any breeding program. They were preg tested 1/07/26 to be 6-8 months pregnant. Quiet cattle to handle throughout assessment. Buyers please note: the vendor has another line of 3 year old cows in the same sale, located on the same property.
