Assessor Comments	These medium framed coastal bred cows and calves are looking very fresh, and on a forward plain on nutrition, the cows are on the 4th or 5th calf which has been sired by a Texas Iceman son Bred by Mortons creek Angus Stud in Rollands Plains. The cows and calves would suit someone who wants to add to their herd and join the cows to the bull of choice or even to grow the unit out and trade the cow and calf.
