	Very quiet in the yards. All brought up by a single handler. Self fed in to the race very easily. One showed a bit of anxiety in the weighbox since her last visit was for preg testing. All walked out in to the paddock quietly. Happy whilst walking around on foot to get photos.

Assessor Comments	Nice lot of Heifers, purchased out of the Gordon Sinclair Feature Spring Store sale at Wangaratta. Bred by noted local producers, and all were the top pens of their respective lines. Very quiet and easy to handle both in the yards and paddock. Preg tested for a late August calving to a L.B.W Fernhill Sire For just 7 weeks. In ideal condition to take on and calve down and appreciate a buoyant Heifer & calf market, or retain and appreciate the temperament and quality these heifers bring to the herd with them.
