| Assessor Comments      | A quality line of 7 PTIC APR Registered Angus heifers, sired by respected bulls Dulverton Street Boss S230 and Taloooby Sterling S64. These well-grown, youthful females are in forward condition and present as a neat, even line of functional breeders with good Angus type, structure, and femininity. The heifers are PTIC to Murdeduke Pheasantry T298, adding further value with a reputable calving ease and performance sire represented in the joining. An appealing opportunity for stud or commercial breeders seeking quality registered Angus genetics, with a well-matched line of heifers that combine strong breeding, fertility, and future productivity. |                                          |                                     |            |
