|                                       | A couple were unsettled in these new yards. All were good going over the scales. The owner had no problem yarding the cows with bikes they are good to handle in the paddock, see 4th video.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |     |                         |     |                |     |
| Handled With                          | Aerial (Helicopters, gyro's and planes) , Bikes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |     |                         |     |                |     |
| Assessor Comments                     | A good line of 56 Cows x 56 calves, (4 decks) Cows 6-7 years, weighed 308 to 556 kgs to average 407 kgs 19 hours off feed. (Tough season, grazing mostly Mulga). The 56 fresh conditioned calves weighed 157 kgs to 335 kgs average 223 kgs. Cows are in fresh store condition and are doing a great job on the calves at foot. The cows are all mostly medium frame with 10% large frame & 10% small frame (see videos). One wet cow has a hip down and is lame - happy to take out altogether or sell at a reduced rate? One unmarked bull calf had a ring put on. A good line that are use to grazing Mulga and have been with the Angus & Santa bulls continiously. All tags have been scanned for transfer. Prompt delivery would be appreciated. |     |                         |     |                |     |
