Assessor Comments	This lot represents 43 pregnant cows ranging from 3-8 years. All cows have recently weaned a calf and present in store condition. The calves these cows have recently weaned are well grown and fresh considering the harsh season they have encountered. There are some large frame cows and the balance are moderate frame in this lot. Cows are In calf to Nomuula Angus bulls to commence calving through July. Cows would make an ideal trade or fattening proposition
