	Very good cattle to handle. Very respectful and easy to move. Very odd one got a bit agitated in the crush but soon calmed down after being let out.										
Handled With	Bikes , On foot , Vehicles										
Assessor Comments	On offer is a quality line of mixed age Angus cows. Cows present in great condition given the season is tightening up. Cows are of a good type with good frame and are proven performers when it comes to rearing a good calf. Bought in from the Coonamble district carrying the bloodlines of Temania and Rennylea. Approx 8 cows have some eye scarring and 1 cow has a full white eye. Very good cattle to handle through the yards. PTIC to Furracabad Angus bulls purchased from their on property sale. At assessment cows had a weight range of 422-686kg to avg 568kg. Quality proven cattle you can buy with confidence.
