Assessor Comments	A quality line of predominately Angus x & Brangus station mated cows that present in strong store condition. These cows have been running in undulating hill country and are part of a complete herd dispersal. These cows are ideally suited for anyone looking to replenish their breeder herd or alternatively to calve out and trade. Any cattle sold on behalf on the Bulmer family in the last 2-3years have been renowned for their doing ability. To the best of the vendors knowledge the cows are in calf to Angus bulls.
