Assessor Comments	A quality line of Angus PTIC heifers presenting in store condition. These heifers have been pregnancy tested in calf and are up to date with all animal health treatments, standing with all frame and will grow out to be maternal females. Originally sourced through AuctionsPlus, they are well-bred females with their productive lives ahead of them and offer excellent future breeding potential. A great opportunity to secure quality breeding females, with the vendor also offering a line of 2nd-calf PTIC Angus cows in the same sale, allowing buyers to secure additional numbers from the one breeding program
