Assessor Comments	A quality line of Angus PTIC cows presenting in store condition. These cows have been pregnancy tested in calf and are up to date with all animal health treatments. Originally sourced through AuctionsPlus, the cows are Karoo-bred genetics and have been joined to Karoo bulls, offering a consistent and well-bred line with proven genetics. An excellent opportunity for buyers seeking quality breeding females with future production potential. The vendor is also offering a younger line of PTIC Angus females in the same sale, providing an opportunity to secure additional numbers from the one breeding program.
