Assessor Comments	A very well bred line of females, with a lot of effort placed into the breeding program. The program was built from commercial cows brought from Millah Murrah in 2005 and 2006. A wonderful opportunity to step into some well bred tablelands cattle. These cattle feature Millah Murrah bloodlines. They are great to handle, these cows will be low maintenance cattle to manage. A rare opportunity to purchase a genic package of Millah Murrah cattle. Please read the vendor's document for further information. An excellent mob of well bred females to start restocking with.
