Assessor Comments	OPPORTUNITY NOT TO BE MISSED!! Rennylea & Pathfinder Angus blood cows PTIC with only their 2nd calf, bred out of vendors home bred herd using Rennylea & Pathfinder Angus sires for the past 5 years with these cows selected as replacements for type & temperament. An opportunity that doesn't present itself everyday, these young cows are 'A' GRADE quality & will give some lucky purchaser the opportunity to enhance or form the backbone of any herd for many years to come. Rest easy knowing you will have the ability to self replace with the quality of heifers these cows will produce. These cows are an absolute pleasure to handle, terrific to access weigh & preg test. Cows are large frame & would be massive cows fat. With unprecedented kill cow prices at present the opportunity to sell old cows & replace with quality like these is unheard of. Vendor has two other lots, 20 & 19 Pure Table Top Angus run out the gate & 18 Pure Reiland Angus Blood
