Assessor Comments	OPPORTUNITY NOT TO BE MISSED!! Pure Reiland Angus blood cows PTIC with only their 2nd calf. An opportunity that doesn't present itself everyday, these young cows are stud like quality purchased directly from Reiland Angus stud will give some lucky purchaser the opportunity to enhance or form the backbone of any herd for many years to come. Rest easy knowing you will have the ability to self replace with the quality of heifers these cows will produce. These cows are an absolute pleasure to handle, terrific to access weigh & preg test. Cows are large frame & would be massive cows fat. With unprecedented kill cow prices at present the opportunity to sell old cows & replace with quality like these is unheard of. Vendor has two other lots, 20 & 19 Pure Table Top Angus run out the gate & 17 Rennylea & Pathfinder Blood.
