These cow's are buy Stud Leawood Angus bulls out of Bongongo blood Cows, and are PTIC back to Leawood R428 And Innesdale U82 to commence calving 1st August for 7 week calving. These cows display great width and depth, and have a wonderful temperament. A regretful sale due to resent health issues, and a change in direction from a breeding enterprise to a fattening one. Please note the same vendor has 27 2nd calvers in the same sale.
