They present in excellent condition and have been doing a good job on March drop GAR Hometown sired calves. Calves are AI sired by GAR Hometown. Lawsons Angus are selling these small core groups of registered and commercial females to simplify their calving structure. Represents an opportunity for buyers to get in to young breeders. These March 2022 drop females are a great example of the Lawsons breeding and are doing an excellent job on their calves. Note: See Video. Note: Vendor has 4 lots in same sale.
