Assessor Comments	**HBR & APR Registered Heifers and calves** Opportunity to get into some young females from the Lawson Angus program with excellent pedigrees behind them. They present in store condition and have been running under tight commercial conditions. Heifers are AI Sired by Lawsons Momentous, HPCA Veracious & Mooginella Quinella Q33. Calves are AI sired by Pathfinder Tasmania T756 & one by GAR Fireproof. Heifers and calf registrations can be transferred at a cost of \$200/hd. Lawsons Angus are selling these small core groups of registered and commercial females to simplify their calving structure. Represents an opportunity for buyers to get in to young breeders that will keep going with you given the feed. Either breed to the bull of your choice or hold over and join for the spring.
