Assessor Comments

85 Angus & Angus x PTIC Cows, Cows are predominantly Hazeldean & Gates Angus bloodlines. Presenting in Forward store condition Medium to large from cows have successfully weaned off calves a month ago and are all joined back up to Booroomoomka Angus bulls due to commence calving from Mid Sept onwards. Cows originally bred from the New England & Gippsland area cows have been a major asset with sale only due to seasonal constraints. Cows have been a pleasure to handle as per video indicates. Buyers a good quality run of cows to calve down fatten and split.
