Assessor Comments	Very nice run of 3 and 4 year old cows P.T.I.C to the millah murrah bulls due to start calving in the middle of July. All but 7 of these cows were vendor bred and are millah murrah bloodlines. There is approximately 5 Baldy cows and 2 with white bellies which are out of shorthorn cows. Please note they are arguably the better cows in the mob. The 7 cows were purchased out of CTLX weaner sale and added to the herd. I have no dramas in saying they will be an asset anyones operation.
