Assessor Comments	A very good quality well bred line of Composite females to commence calving at the end of July. Cows are beautiful soft easy doing types of solid medium to large frame. All cows are AI'd to industry leading Composite AI sires with a strong focus on feed efficiency and fertility. They are well handled and exhibit good temperament. Cows have been exposed to HALTER virtual fencing technology though recently had their collars removed. Please note 90% of this group are 3-5years of age. They carry their weight well and present evenly as a group. Please call for further information.
