| Assessor Comments | A good run of PTIC store cows out of the 'Slap Up' herd. Cows have calved each year and have present in forward store condition after rearing a calf through what was a very tough Spring/Summer at Jerangle. Cows present as a good opportunity to calve out and trade or retain for another joining on softer feed, as majority have good sound mouths. Please see mouthing details. Please note: Vendor also has run of 42 weaned steers in today's Weaner & Yearling Sale. |
