Heifers are well grown, deep bodied and have plenty of width through the hips. Heifers have been PTIC to LBW U23 Roseleigh bull, vendor has always selected from the top of the catalogue at Auction. Great opportunity to to secure well bred heifers with high calving ease, 400 day and IMF. Heifers have been 7 in 1 vaccinated and drenched as per best practice. Please note 1 heifer has pink eye scar in both eyes but seems to be only cosmetic and can see ok.
