Assessor Comments	Buyers here is a excellent line of PTIC heifers with hybrid vigour that gives them plenty softness and depth. They have been AI'd and backed up to an Angus bull, (Segenhoe Top Boss S3), he has EBVs in the top 5% for calving ease daughters, top 10% for calving ease direct and to 10% for the Angus breed index. These heifers have their whole lives ahead of them and would be an asset to any herd, they are also very quiet and good to handle. Regretful sale due to dry conditions.
